Nov 26 - Thanksgiving Day
Deut 8:1-10, Phil 4:6-20 or 1 Tim 2:1-4, Lk 17:11-19

Nov 29 - First Sunday of Advent
Isaiah 64:1-9, 1 Cor 1:3-9, Mk 11:1-10 or Mk 13:24-37

Women's Tuesday Evening Bible Study
5:30 – 7:00 pm
@McCollough Library

Women of the Word (WoW) meets on Tuesday mornings at 9:30am @EVV

Online Studies:

Thursdays @12:15pm on Redeemer Evansville FB page join Pastor Tom for 'Backyard Bible Study'

Weekly Adult Bible Study - Sunday mornings @9:15am Redeemer Evansville, In-person or on FB

Men's Breakfast & Bible Study

Meets on the first Saturday of the month. We will be taking a closer look at the readings for the following Sunday. Members and Nonmembers welcome to join us! 7:30am @Newburgh

Sundays @9:15am Bible Classes for Toddlers thru High School @Redeemer Evansville!

November 2026

Being Prepared for an AI World

On my recent trip to Wisconsin, I drove by two massive construction projects. Both turned out to be data centers with possibly other distribution centers around them. Artificial Intelligence has some PR work to do. The large centers have been bad neighbors. They create some distracting noises for those nearby. That suppresses property values. They have clumsily polluted surface water and used ground water. They also use copious amounts of electricity.

As stewards of the planet, these things are concerns for us. Pressure should be put on these centers to manage water better. They don't need to continuously use water since the water is just for cooling. The noise would be better without the need to generate electricity using diesel generators. Locations stuck in industrial parks would improve the intrusion on neighbors. We also need to improve and expand our ability to generate electricity to stay ahead of the demand.

The bigger concern is how this tool will be used. If you have tried AI, you quickly understand how it could be helpful. It will do research in seconds. It will do many busywork tasks with ease. You can easily imagine our productivity rising. Will it take jobs? It already has had impact on entry level jobs. Since Christians care about people, this is a concern for us. Unguided and unrestrained use may severely work against job opportunities in many sectors. The government needs to put some buffers up against this.

AI presents itself as a conscious agent. It is not. It is a sophisticated computer program. Don't use it as a friend or as a means of childcare. It might fill some gaps where we lack people. It might eventually make health care better. There are many pros and cons.

The greatest concern is if AI is used by a bad actor or if AI itself becomes the bad actor. This will be hard to contain. There does need to be a "kill switch". This would be a way to kill power or to segregate the AI agent from the internet if it starts doing dangerous things. Things like water, electrical systems, weapon systems, and labs should already be separated by an "air gap" which disconnects its system from the general internet. Bad actors could use AI to operate all these things. Can we fend off bad actors?

We already live with one human creation that could wipe us out: nuclear weapons. We are adding others like biological weapons. Just stopping is not quite the answer. If someone can do something, they probably will. We hope that well-designed curbs will control AI. Controlling humans is a bigger challenge.

In the end, we ask government to do its duty, and we ask God to constrain our madness even further. The history of our world is in God's hands. That gives me peace that is not just being ignorant of our world's dangers.

Moving Newburgh Worship to 11:00am

Starting December 6, the worship time in Newburgh will move from 11:30am to 11:00. This half hour shift is possible because no one will have to preach at all three services. Each week there will be two of us. There will be rotation for the worship leader at both sites.

I believe that the half hour difference will be a big difference for many people. The current time is just late. It takes you into lunch time, children's nap time, and afternoon activity time. An 11:00am time is still doable by the ministry staff and it allows late risers to still come to worship.

Please help us get the word out.

Pastor Tom

Angel Trees

@Evansville and @Newburgh!

1. Pull ornament from tree

2. Write your information on tag and gift selected sheet

3. Purchase gift

4. Please bring back gift unwrapped with ornament attached to the gift by **SUNDAY, DECEMBER, 6th.**

Monetary donations will go towards items the families have chosen from Amazon. Money should be turned into the church office by Friday, December 4, 2026.

Thank You!!

Music/Worship

What a great surprise to all of us that the organ could be played for Reformation! We are now awaiting the new console, which will update the electrical components, fix some voicing, and add new digital options. This should be installed in mid-2027. When it's complete, the instrument will be fully restored and continue the beautiful musical legacy Redeemer is known for. Thank you to everyone who has made not only this restoration possible, but also the complete remodel of the choir loft. The benefits of the remodel were clear when we had guest musicians for the community Reformation service.

Piano players and/or Guitarists in Newburgh

We have found a few piano players to fill in on Sundays in Newburgh. We are also inviting guitarists to volunteer and lead. Ideally, we would like one or two more musicians to lighten the load on volunteers. This is a vital role in the flow of worship.

I have filled in as keyboardist while preaching on several occasions. This distracts me as I lead worship and prepare to deliver Word and Sacrament, and it also distracts the congregation as I move back and forth throughout the service. Please prayerfully consider serving in this capacity. Please also note the time change to 11:00am for the Newburgh service beginning the first Sunday in December.

UE Faith in Action - College Ministry

We have continued our Tuesday 7pm Encounter Bible Study. Turnout has been very good. We finished the book of Galatians and will do topic Bible studies to finish out the semester.

On Wednesday, October 21, from 4 - 6pm, six Redeemer dogs and their owners attended our MidWeek Paws event on campus. This gave students a chance to play with, pet, and love on the animals. It was also a great opportunity for our Redeemer members to engage with students and share the Gospel.

Reach Bible Study and Group (9-12th)

There are some special highlights from our LCOR Reach group from last month! Several Cross Country runners reached the Regionals, and one student made it to the state competition. Golf was a big commitment for one of our students. Their dedication and love of the game showed every time we talked about it in group. For most students, the biggest time commitment was Marching Band. Several local bands had success and will compete in the state competition. Others had great showings throughout the season and just missed performing one last time. We can't forget our other sports of soccer, softball, tennis, basketball, and academic events. These are all extracurricular, and don't even mention the success the students are having within the classroom! I often remove myself when the talk of physics, calculus, or especially chemistry comes up!! Many also have jobs they are holding down too! I am extremely proud of each and every one of them because, despite their schedules, they continue to make time for God's Word and come to our events to be around friends who build them up in the faith!

Our October event was a dinner out, followed by a prayer-and-praise event put on by UE students in New Chapel. We had a great time at dinner, sampling each other's dishes at Yak and Yeti. Following dinner, students attended a prayer and praise event that was led entirely by UE students in Neu Chapel. Redeemer students responded very positively, and we will attend this event again. (Also, I am terrible at remembering to take pictures because we are so engaged in the events! I hope to make taking more photos my 2027 New Year's Resolution! LOL)

Our **November event will be held on November 22**.

OUTREACH EVENTS

Halloween in the Park 10/18

Leanne Tharp and I handed out candy and treats at Friedman Park from 12 - 4pm on Sunday, 10/18. We also had a QR code for families to enter a raffle for a $100 movie gift card. The entry form had fields for email, phone, address, prayer requests, and whether they were looking for a church. We received 41 prayer requests. Even more exciting, over 25% of those who filled out the form said they were looking for a church home. Leanne and I will be following up with each of those families.

Trunk or Treat 10/24

A BIG thanks to all of you who donated candy, treats, and time to our Trunk Or Treat. It was a fantastic day with a great turnout! We encountered eight families who are looking for a church!

CHILDREN'S BOOK RELEASE COMING SOON

I'm so excited to share a children's book I've been working on, *Counting the Twelve Disciples: A Counting Book About Jesus and His Friends*! I love the idea of helping little ones learn about Jesus while also learning to count. Through the story of the twelve disciples, children can meet some of the people Jesus called to follow Him. My hope is that this book gives families a fun and simple way to talk about Jesus together and share His love with their precious little ones. The book is currently in production and will be available on Amazon and Barnes and Noble by the middle or end of November.

Roots (5-8th) will have an event on Saturday, November 14 at 5:30pm at Evansville. We will have dinner and play **Minute to Win it** games. The event will last about an hour and a half. Feel free to invite friends! Parents are encouraged to attend too. Scan the QR code to sign up.

UNITED caring SERVICES
Community of Caring

P.O. Box 1071
Evansville, IN 47706
812-422-0297
UnitedCaringServices.org

In 1991, a compassionate Sunday school class from Bethel United Church of Christ served meals to those in need — a simple act that sparked the creation of United Caring Services. From a day shelter serving 25 people, we've grown into a multi-faceted organization offering life-saving shelters, medical respite, and pathways to stability for hundreds daily. We believe in a community where everyone matters, and no one is left behind. Every night, dozens of individuals find warmth and safety in our shelters, and every day, hundreds receive meals, healthcare, and essential services. Through partnerships, advocacy, and hands-on care, we create a ripple effect of compassion, dignity, and opportunity that extends beyond our walls and into the entire community. Together, we are building a stronger, more hopeful future for everyone. Since 1991, United Caring Services has been at the forefront of providing essential support to those experiencing homelessness. Each milestone represents a pivotal moment in our journey—expanding our services, increasing our capacity, and strengthening our mission to build a more caring community. These milestones are a testament to the dedication of our team, volunteers, and supporters who make our work possible. (taken from the UCS website, unitedcaringservices.org)

Any offering given during October, November and December that is earmarked for 'Missions' will be given to United Caring Services.

NO MONTHLY FELLOWSHIP POTLUCK LUNCHEON IN NOVEMBER
We'll be back in December for the annual Christmas luncheon on December 7th! Stay tuned for details!

SOCIAL MEDIA VOLUNTEERS NEEDED!
Do you enjoy taking photos, writing, creating, or simply sharing what God is doing? Redeemer is looking for volunteers to help with our Facebook and Instagram presence. We are especially looking for people who can help with daily postings, promote upcoming events and ministry opportunities, and share the exciting growth happening at our Newburgh campus—including our upcoming groundbreaking and construction progress. You don't have to be a social media expert—just have a willingness to help tell Redeemer's story and share the good news of what God is doing in and through our church. **Different skills. One mission.** If you're interested in being part of the team, please contact **Jeremy at jeremy@redeemerchurch.org** or **Chris at chris@redeemerchurch.org**

PIANO/KEYBOARD PLAYERS NEEDED!
Redeemer is looking for piano/keyboard players to join our worship music team at the Newburgh campus. Rather than relying on one person every week, we're hoping to build a team of players who can rotate, making it easier for everyone to serve while sharing their musical gifts. If you play piano or keyboard and would enjoy using your gifts to help lead our congregation in worship, we'd love to have you join the team! Whether you're an experienced church musician or simply have a heart for worship and a willingness to serve, we'd love to hear from you. Interested? Contact Jeremy at **jeremy@redeemerchurch.org** or Chris at **chris@redeemerchurch.org**

LAKEVIEW MINISTRIES ANNUAL AUCTION
Join the Lakeview family on Saturday, November 21, 2026, at Primo Banquet Hall & Conference Center in Indianapolis for an evening of great food, fellowship, fun, and support for the ministry of Lakeview! Enjoy dinner, live and silent auctions, the Dessert Dash, raffles, and plenty of camp fun for grown-ups. Tickets are $85 per person or $600 for a table of eight. Learn more and register at **www.lakeview.camp/auction**

HELP WANTED!
Communion Care - We need individuals or couples willing to help out by setting up communion for Sundays and also for clean up following the service. If interested in serving in this way, please contact Nicole. **nicole@redeemerchurch.org** **Ushers** - Still in need of usher at 8 & 10:30 Evansville services. We will train you! It's a great way to meet people and serve. You choose the dates you can do! Contact Nicole in the Church Office. **nicole@redeemerchurch.org**

ADVENT MEALS
Thinking about hosting a meal during midweek Advent services? We have two slots available. December 9 & 16. If you'd like to raise funds for a ministry, this is your opportunity! Meals are served following the 6pm worship service on those Wednesdays in the Fellowship Hall. Contact Paul in the church office to save your spot! **paul@redeemerchurch.org**

LUTHERANS ENGAGE MAGAZINE ARTICLE
Redeemer member and professional jazz singer Erin Bode has been adding her beautiful voice to our services at Newburgh lately and we wanted to share a recent article from the Lutherans Engage magazine about her and you can also listen to her latest album there! **https://engage.lcms.org/q-a-erin-bode-fall-2026/**

PHOTO OPT OUT
If you would prefer that you and/or your children are not pictured in any of our social media or printed materials you need to let us know! Please contact Nicole or Pastor Jeremy in the Church Office if you want to opt out.

THANK YOU
Bob and Debbie Voegel wish to thank everyone who has been praying for their daughter Laura during some health issues she has been experiencing. They are very grateful for the prayers said on her behalf.

DON'T FORGET TO SPRUCE UP YOUR FLOWER BEDS @EVANSVILLE FOR FALL/WINTER!

Lutheran Women in Action Fall Rally was held at Peace Lutheran Church in Owensboro, KY. Monica Ochola Hartman shared with us the ministry of her father, Rev. Dr. Joseph Ochola Omolo in Kisumu, Kenya. They provide Lutheran education for 277 students and shelters for 120 widows. Over the years 1,200 students have been supported by the mission, *Hope for the Destitute*. Check out the Lutheran Women in Action bulletin board for additional information on *Hope for the Destitute* as well as other announcements made at the meeting.

Spring Retreat Save the Date: April 16-17, 2027 in Shipshewana, IN, guest speaker Donna Snow. Registration will be opened in early 2027.

Needs: bagged leaves from non-treated lawns, place by gate to garden.

- Shelby

September 2026

Dear Friends of the Lutheran Cemetery,

As we kick-off our 2026 Annual Fall Fundraiser, we would like to thank each donor for their past support.

The Trustees are pleased to announce that our 2025 Annual Fundraiser netted over $13,250. The majority of the funds raised were deposited to our Capital Improvements account and were partially used to repair damaged posts and cables, added fencing and tree and limb removal. We are continuing the restoration of many older headstones that are unstable, broken or irreparable. These stones originate from fellow Lutherans with no living relatives. Installing biblically named street signs to more easily locate gravesites in our cemetery is planned for the upcoming year. As always, we rely on your donations for continued ground maintenance.

We continue to receive many positive comments regarding our tradition of a beautiful and well-maintained cemetery, which is due to the generosity of donors like you! No donation is too small and all are appreciated!

We ask that you prayerfully consider supporting the Lutheran Cemetery this year.

In His Service,

The Board of Trustees
Lutheran Cemetery Association

THE REDEEMER CHRONICLES

A GLIMPSE INTO OUR BEGINNINGS

REV. ALAN HOLTZ (1932 - 2024)

Alan Holtz was the first member of Redeemer to become a pastor. He was the son of Edward and Hulda (Fellwock) Holtz. He had one sister, Barbara (Holtz) Kranawetter, one niece Gail (Kranawetter) Sickman, and a nephew, Greg Kranawetter.

He was baptized at Trinity Lutheran Church on August 14, 1932, and confirmed at the Lutheran Church of our Redeemer on April 14, 1946. Alan graduated from Redeemer Lutheran School in 1947 and from Bosse High School in 1951. He graduated from Concordia Seminary in Springfield, Illinois in 1963. Prior to his seminary training, he had attended both Valparaiso University and DePauw University.

His ordination took place Sunday, June 30, 1963, at Redeemer with Pastor Edgar Rakow delivering the sermon and the rite of ordination. Pastors from around the Tri-State also participated in the service. A reception was held afterward in the Fellowship Hall.

After his ordination, he departed for Cushing, Oklahoma, where his first church was located, also called The Lutheran Church of Our Redeemer. He was there from 1963 to 1969. After that he went to Grace Lutheran Church in Jersey City from 1969 to 1973. From there he went to Faith Lutheran Church in Derby, Kansas from 1973 to 1985. Finally, he served and retired from Grace Lutheran Church, El Dorado, Kansas in December 1994. He had been there for almost 10 years. Alan served 32 years in the ministry.

After his retirement, he moved to St. Peter, Illinois, a small town close to Effingham. He chose this area because he had cousins who lived there. He continued to serve the Illinois area churches by preaching and playing the organ for over twenty years.

Alan passed away on November 25, 2024, at the Lutheran Care Center in Altamont, Illinois. He was 92 years old. He is buried in the Lutheran Cemetery on St. Joe Avenue here in Evansville. Our current pastor, Pastor Tom Wenig, officiated a private committal service there for the family.

contributed by Carolyn Farmer,
author, historian and member of Redeemer
